	Total Timber Value		1.328200716672	\$1,005,377

Timber Assessed Value is based on actual timber harvested in the County. Taxes collected on the harvested timber are distributed on 1st, 2nd then 3rd priority recipients. Lewis County is a 3rd priority recipient; accordingly, the amount of taxes actually collected is dependent upon the amount of timber harvested. This may be as little as none to the maximum estimated above.
